

THE CITY OF MADISON PARKS DIVISION WELCOMES DOGS at specific parks. A dog permit is required to visit any of these locations. A dog license is required first, for all dogs older than 5 months. **Both permit and license (City of Madison) may be purchased online or at all off-leash dog park kiosks.** The permit is also valid for Dane County Parks (posted areas only), the City of Middleton and the City of Sun Prairie pet exercise areas. Fees collected by each agency are used to support improvements and maintenance of their own dog exercise areas.

ON-LEASH & ON-PATH DOG FRIENDLY PARKS

Madison Parks welcomes dogs on the paved path and on-leash at a number of parks. A dog park permit and license are required. The dog must stay within 6 feet of the paved path and must remain on-leash. The Board of Park Commissioners is testing additional on-leash parks in a pilot program. See the website for all locations.

PROHIBITED AREAS & RULES

- » Dogs are not permitted on beaches, in any park building, on Madison school grounds, or any other non-designated park. During the winter months, dogs are not permitted on groomed cross-country ski trails. Dogs are never permitted in conservation parks.
- » Rules and ordinances were created to keep dog parks clean and peaceful. Signage at each of the off-leash parks highlights these rules. A complete list may be found on our website.
